

Name: _____

Due Date: December 4th 2017

Then and Now: Images of Shoreline at-home project

Directions: Identify a part of your local community that has undergone change in the last 10 - 100+ years (e.g. a local park, stores, schools, house, etc.) Then do an image search (using historical websites, Google Earth, Google image searches, actual photographs, etc.) of that location/place both now (present) and then (10 - 100 years ago). Print these images out to help compare the pictures. Then identify at least 3 changes in the photos and list them out. You also should identify how those changes have benefitted the community for the common good.

All of your information should be represented on a poster (teacher will provide).

Your **poster should include the following details:**

- ★ Your name _____ / 2 points
- ★ A title, "Then and Now: _____" (fill in location) _____ / 3 points
- ★ Location (postal address) _____ / 3 points
- ★ Picture of the location/site "then" (with a written date) _____ / 3 points
- ★ Picture of the location/site "now" (with a written date) _____ / 3 points
- ★ Title for "Changes" _____ / 2 points
- ★ At least 3 differences/changes in the photographs (listed) _____ / 6 points
- ★ Title for "Benefits for the common good" _____ / 2 points
- ★ At least 3 ways in which those changes have impacted
the community (listed) _____ / 6 points

Total score: _____ / 30 points

Included in these directions & rubric is an example of this project, modeled by your teachers in class (see back). Should you have any questions, please ask your teacher.
