Dear Parents,

I look forward to meeting with all of you with your wonderful children during conferences. We have had a busy few weeks preparing for heritage day and also setting goals with your child for conferences. For many, the heritage day projects were the first that they have created on their own. They learned valuable skills using the chromebooks and have done a great job putting them together on their trifold. We look forward to seeing all of you tomorrow either during the school day from 1-2:15 or at Open House from 4-6. Thank you to those students who have volunteered to help during open house and be here to present to new families that are looking to send their children to St. Luke.

The Food Drive and Warm Clothing Drive start this week. We are looking for 100% participation from 3rd grade. We are also in a contest with the rest of the school to bring in the most of any class. Please help in any way you can, even if it is one can of food. 3rd grade is responsible to bring canned fruit. The list of all items is on the St. Luke webpage and has been in the Thursday Packet.

Thanks so much for your continued support!

Susan Smith
