

NOTEWORTHY

SEPTEMBER 11-14™

Welcome to Pre-school!!

What a wonderful first week. This is the year for our youngest learners to shine brightly in our classroom and grow as individuals. We believe that communication is key to your child's success and to a great parent/teacher relationship. We encourage you to contact us with any questions or concerns. We will be sending out a weekly newsletter about upcoming events, dates, what we've been doing and what is coming ahead. These first couple of weeks we will be spent focusing on getting familiar with routines, each other, class rules, our environments and diving into the beginning of our curriculum. We are looking forward to creating lots of "joyful noise" and learning an abundance of new things!

What We're Learning!

- *Unpacking our stuff upon arrival.
- *Washing our hands when we get to class and frequently throughout the day.
- *Names of our new friends.
- *Sitting quietly on the carpet for circle time and waiting for our turn when our name is called.

- *How to line up and walk safely to and from PE, Music and around the school.
- * Having FUN, but playing safely with others.
