I live in Australia.
It is a large country
with lots of open space.
Many animals live here.

I live in the rivers of Australia.
I look like a beaver
with a duck's bill.
I eat tasty bugs
on the river bottom.

flying fox

I live in the forests
of Australia.
I am one of the biggest
bats in the world.
I eat sweet fruit and flowers.

kangaroo

I live in the deserts
of Australia.
I hop on two big legs.
I carry my baby in a pouch.

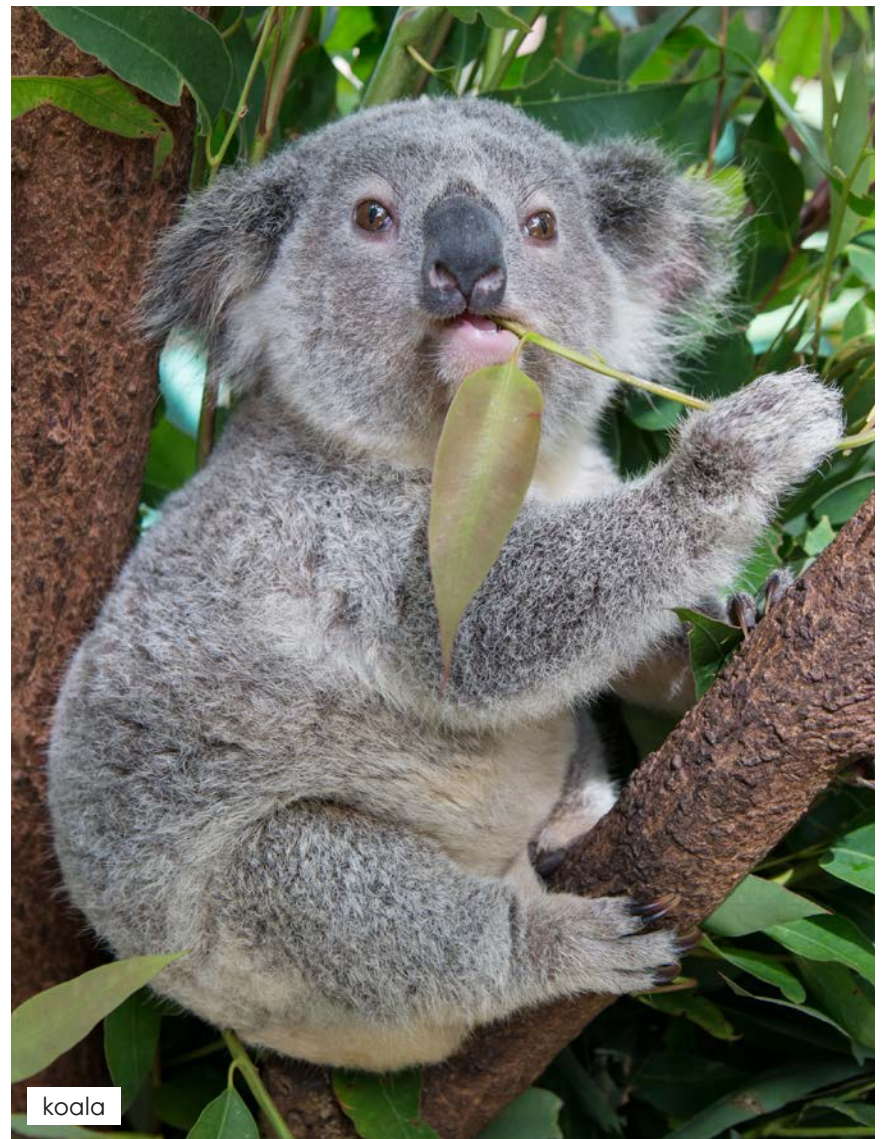

I live in the deserts
and forests of Australia.
I roll into a ball
when I am scared.
I eat yummy ants.

I live in the trees of Australia.
I make my nest with leaves.
I am yellow with a green body.

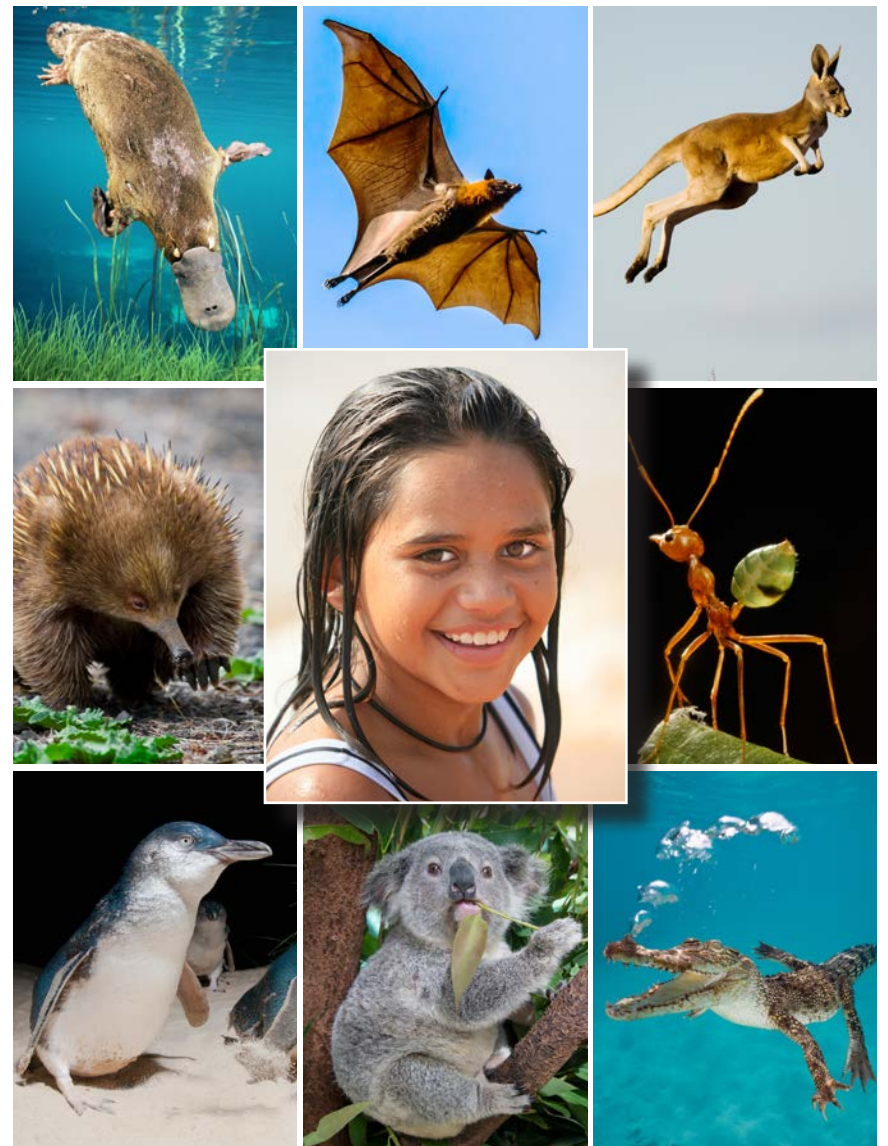

I live on the seashore
of Australia.
I dig holes in the sand
to lay eggs.
I catch fish in the sea.

I live in the trees of Australia.
I eat nothing but
special leaves.

I live in the waters
of Australia.
I swim in rivers, lakes,
and even the sea.

All of these animals are from
Australia, and I am from
Australia, too!
