

CLASSROOM NEWS

Mrs. Smith's
3rd Grade

Together we can change the world by....

Week of: Sept. 24th - 28th

IB Attribute of the Month: Caring

Dear Families,

It is hard to believe that this is the last week of September. St. Luke a thon is coming up this week. Our theme is "Being Green". We can change the world by reducing, reusing, and recycling. Feel free to get as creative as you wish. Please make sure your child brings a water bottle on Wednesday. We walk from 10:15 to 10:50. Come and join us.

Many Blessings,

Susan Smith

Upcoming Events

Sept. 25th MAPS TESTING

Oct 6-7 BAKE SALE
Oct. 12 NO SCHOOL (Teacher Retreat)
Oct. 17th Picture Retakes
Oct. 18th Feast of St. Luke Mass

Math and ELA

All Math and ELA classes will be sending home emails to parents and posting on teacher classroom web pages information about their math and ELA classes. Each math class will be going to Robotics once a week. The class is instructed by Mr. Huntamer.

IB Unit of Inquiry

Central Idea: Government systems and decisions can promote or deny equal opportunities and social justice.

This week our focus is on acquiring knowledge about the three branches and the levels of Government. We want to learn who holds positions in each branch at each level and what are their responsibilities.

Religion

Chapter 2: God is Faithful.

In this chapter, we will be discussing God's faithfulness and original sin and its effects, the meaning of covenant, and recognizing and responding to God's faithful help.

Tuesday night should be an opportunity for discussion for your family. Each child will bring home an assignment to talk about examples of principled behavior from books or real life.
