## Sept. 17-21

### Attribute: Caring

How do we care for ourselves, others, and our world? How can we show we care?

### This week:

Tuesday is always 2:00 dismissal.

Get a baby sitter and turn Curriculum night into date night! Take your sweet heart out to dinner after you come to the school, Wednesday night 6:30. RSVP if you need child care to attend curriculum night. I look forward to seeing all of you!

Keep working on donations for St. Luke a Thon.

Book orders due!

### We are hard at work!!!

Phonics/Hand writing: We have met our first Superkid Cass. We are still working on how to write uppercase and lowercase Cc and the sound C makes.

Math: We learning equal to, greater than, less than and comparing numbers 0-5

Religion: We will be talking more about God creating our world.

Unit of Inquiry: Our choice to follow rules can create fair and just communities. We are talking about classroom rules and different communities in our lives. (family, school, church and other)

Second Step Lesson: Focusing Attention and listening song.

IB Attribute of the month: CARING

Contact me at if you have questions:
