

# 1<sup>st</sup> Grade 10/8 – 10/12

## October News

### What We're Learning This Month:

**Math:** We will be reviewing Subtraction concepts and assessing on Tuesday. After this unit we will be moving onto Addition strategies up to 20. Please continue to practice math facts.

**Superkids:** Our next sound that we are working on are words that end with /th/ sound (math, moth) and words that start with /wh/ sound (whip, whiff). We will start to do bi-weekly spelling test. The list will go home Monday and will need to be practiced. We will also practice during class. Spelling test will be Thursday, October 18th

**Religion:** We are moving into Ch.2 in our books – God's Gifts. We will focus on God's world is a gift to humans, and You can learn about God and his love from the world he made.

**IB:** We are going to look at "unique" families found around the world and review our post-it on what we think the word "unique" means.
