

Math News

We are finishing up Chapter 3 on Tuesday.
We will have our test Wednesday, Oct. 31st.
We will reviewing on Tuesday and their homework will be a set of review pages.

Chapter 4

Multiplying with One-Digit Numbers

The concepts that will be covered in this chapter are: Multiply multiples of 10, 100, and 1,000 using basic facts and patterns, estimate products by rounding, multiply a two-digit number by a one-digit number, use the Distributive Property to make multiplication easier, multiply a multi-digit number by a one-digit number, and multiply multi-digit numbers with zeros by a one-digit number
