

Math News

We are finishing up Chapter 7 on Monday with a pretest in class which we will correct and they will bring home along with review pages that they can use to prepare for the test. Right now the test is scheduled for **Wednesday, Mar. 6th.**

Chapter 8 Fractions

In this chapter, we will be working on Factors/Multiples, Prime/Composite numbers, Equivalent fractions, Reducing fractions to their simplest form, compare and order fractions, and Mixed Numbers/Improper Fractions. Watch for the letter coming home on Thursday.
