

Summer Learning Opportunities:

Summer is a critical time for children to engage in ongoing learning, enrichment, and skill-building. Fortunately, the greater Seattle communities offer many programs throughout the summer months. Below you'll find a compilation of recommended resources, as well as camps, programs, and tutoring to help keep your child engaged AND having fun this summer!

Workbooks:

- Summer Bridge Activities (Grades 2 - 3), \$9 on Amazon
- Summer Math OR Language Arts Skills Sharpener workbook (2nd Grade), \$19 each
<http://www.summerskills.com/>
