

I wonder what
are doing.

^{Grand}
wonder what
lived?

I wonder,
what is it
like to live in
the past?

I wonder what type
of car they have.

I wonder
how much
one of those
cars cost

I wonder what
kind of car
that is?

I wonder if it
runs by gas.

I wonder
what are
they doing

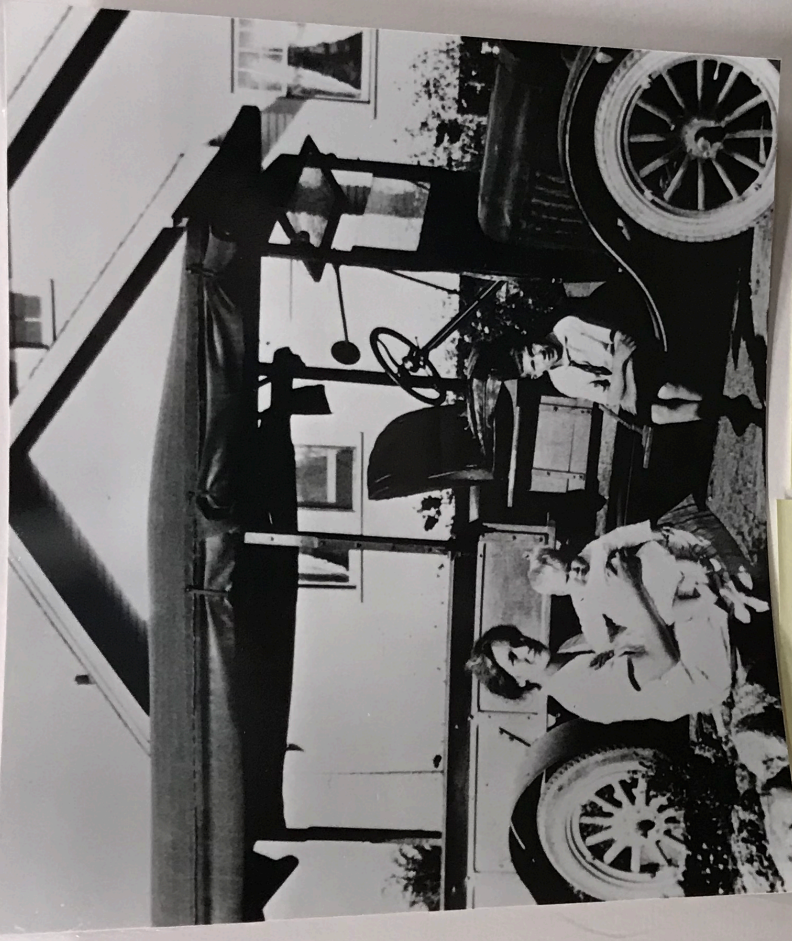

I wonder
what the
baby is doing.

I wonder
how the
car works.

I wonder how
many seats there
are.

I wonder
why the
son + the boy

I wonder
what is
this stuff
called?

I wonder
what there
doing.

I wonder what's it like
to live in the past.
-Max

I wonder
how those
that matter
work

I wonder
who are
they?

I wonder if there's
a hose with a old
car with three
people.

I wonder if the
metal is rusty
