A Note From Kindergarten Team:

- Homework: For more ELA practice at home, log onto the Superkids Online for stories, songs and games. The more we practice, the better readers we become! Please let your teacher know if you are not able to log into your account!
- Please check your child's homework before turning it into your teacher.

A Peek At What We Are Learning:

Superkids:	We have met our newest Superkid friend, Lily. This week we will be working on the "Ll" sound and words. Please work in your R.E.D folder nightly. Please return your child's R.E.D. folder so an additional blending sheet can be added.
Religion:	We are wrapping up Unit 1 on "God Made People."
Math:	We are learning to compose and decompose numbers 4-7 this week.
Science:	We will be answering our last questions: "How could you invent a trap?" We will start working on making traps for our summative assessment.
2nd Step:	Second Step Lesson 8: Identifying Anger Being able to name <i>angry</i> , why our body feels uncomfortable, and it is not ok to be mean or hurt others when we are angry.
