New Friends, Martin Luther King Jr., and Catholic Schools Week

Happy New Year! We hope everyone had a peaceful and restorative vacation. The P3's are such an eager and curious group. We are sure they are ready to come to school and get back into the swing of things!

We are excited to welcome new student, Ryan Yandl, to the P3 classroom! Some of you may already know the Yandl family, as Ryan's big brother André is in Mrs. Eaton's Kindergarten class. We are feeling doubly blessed this week, as St. Luke will also welcome a new group of Korean students into the upper grades on Monday. Our wonderful school continues to grow and thrive!

Throughout the month of January, we will focus on the peaceful work of Martin Luther King, Jr., which couples nicely with our IB Attribute, "Principled". The latter part of January will bring "Catholic Schools Week", which gives us the opportunity to celebrate our school and parish, our students and community, and family.

We have so much to be grateful for. Let's get to it!
