IB Attribute for November is: **Inquirer. "We are curious and we ask questions."**

November brings Gratitude and Giving...

We sure had fun with our Halloween festivities on Thursday, and the children were as cute as can be in their costumes! Between all the festive fall books we read, and the spooky crafts we created, I think the P-3's managed to wrestle everything they could out of October! This is a very enthusiastic group of students!

November will bring us "back to center" with a focus around gratitude and giving. Our class has already started talking about some of the things for which we are grateful, and to that point, the children got a jump start with our "Gratitude Turkey" project. The turkeys will be on display on our big bulletin board, so feel free to pop in and take a peek during drop-off on Monday morning.

Our IB Attribute of the Month is Inquirer: "We are curious and we ask questions." Check out the IB Board just inside the classroom door. Your children are over-flowing with curiosity! We will make it a point to add to the board throughout the month of November, so check back often!

St. Luke will host it's annual "Warm Clothing & Food Drive from Nov 12th-22nd. With the weather turning cold, there is a need for gently used coats, hats, gloves, and boots in all size ranges, including young adult and adult sizes. Starting Nov 12th, look for the big blue "Food Drive Bucket" in the classroom. We will be collecting non-perishable food donations for people who live in Shoreline and surrounding communities. The need is GREAT this year and your kind donation is always appreciated!
