- **Don't forget to purchase SCRIP gift cards for all of your shopping needs.** This is a win-win for families and school!

## Mindfulness and Gratitude

We hope you were able to take a moment to look around the classroom at all of the wonderful GRATITUDE artwork the children have created this week. The children are quite proud of their work! Yesterday, we took a trip over to the church and took turns blessing ourselves with holy water and practiced what it would be like to sit in our designated pew. We talked about how God's house is a loving and peaceful place, and we walked the children through the process of lighting a candle and how to offer-up our prayers to the Lord.

Next week we will continue to be mindful of all of God's gifts, as we practice being purposeful in how we share our gratitude with each other. Of course, we also have a couple of fun Thanksgiving and harvest crafts lined up for the children. They just can't seem to get enough!

Our annual Warm Clothing and Food Drive begins on Tuesday, 11/12. There are containers in our classroom ready to receive your generous donations! In the spirit of MINDFULNESS, we encourage you to talk with your children about the importance of giving to those in need. It's never too early to teach about "helping hands", and we recommend that you help your child to choose a non-perishable food item from your pantry and have them deliver to the container in the classroom all by themselves. Even young children can make a difference!
