

May 25th, 2020

***“The willingness of America's veterans to sacrifice for our country has earned them our lasting gratitude.” - Jeff Miller***

Dear 5B Families,

***Here's where we're headed for this week in our Distance Learning Classrooms:***

- In **5B Ms. Bakamis** in “Classwork” Tab students will find (on the left hand side):
  - ❑ **Attendance:** taken every morning between 8:30 am & 9:00 a.m. If students do not check in, they will be marked absent in PowerSchool and Mrs. Max will call home to see if your child is absent or present for the day.
  - ❑ **Homeroom Check-ins:** We will be meeting via **Zoom on Tuesday, Wednesday, & Friday at 9:00 am - 9:25 am** for a Homeroom check-in with prayer and announcements.
  - ❑ **Daily Learning Activities:** written down every day within the Individual Classes. Please check each class to make sure all work is completed.

***In our online classrooms:***

**Math with Mrs. Dimock, Ms. Bakamis, & Ms. Smith**

- Mrs. Dimock's class **Week of May 25th - May 2th:**
  - **Monday: No School (Memorial Day)**
  - **Tuesday: Zoom @ 9:30 am** Lesson 12-3 Box Plots
    - HW: p. 883 #1-4
  - **Wednesday:** Practice Statistical Graphing
    - HW: Mid Chapter Check p. 890 #1-4 (not 5) and p. 885 #10
  - **Thursday: Zoom @ 9:30 am** Lesson 12-4 Shape of Distribution
    - HW: None!
  - **Friday: Zoom @ 9:30 am** Review Sheet

Mrs. Dimock Office Hours: Monday through Friday, 1 pm - 2 pm

• Ms. Bakamis's class needs to check their **Bakamis Math Class** Google Classroom daily for specific learning assignments. This week we will continue our lessons in Chapter 10: Multiply & Divide Fractions. For more specific topics covered refer to the 5B Week-at-a-Glance. All students will be required to complete at least 45 minutes of ALEKS/week in the third trimester. Going forward, this assignment will be worth 10 points per week. Emails will be sent out on Thursday to notify you of your student's progress towards this expectation.

• Mrs. Smith's class will continue working in Chapter 9: Adding and Subtracting Fractions. Students will be adding and subtracting unlike fractions (fractions with different denominators) this week. This is challenging for most students because there are a lot of steps. **It's very important that all Mrs. Smith Math students attend class this week!** "How-To" videos are posted in Google 5A Mrs. Smith Math Class also in case students forget how to do the math or miss class. The Chapter 9 test will take place during the last week of instruction the week of June 1. All students are required to complete at least 45 minutes of ALEKS/week in the third trimester. This assignment is worth 10 points per week. Emails will be sent out on Friday to notify you of your child's progress towards this expectation.

### **5B Reading & Writing (ELA)**

• **Reading & Writing:** Students will be encouraged to read at least 1 book on **Epic!** (our class code is: tdr9567) about our Science Units Chemical Magic & Spaceship Earth. Students who have not completed reading American Revolution for Kids: A History with 21 Activities on **Epic!** (our class code is: tdr9567) will need to work on completing the AR Quiz on this when they are done.

• **Spelling:** We will continue with our new Spelling #3 lists this week. Please practice this week. Due to the short week we will be taking our **Spelling Test#3 on Friday, May 29th.** If you (or another adult) could please say the words, then the students will write down the words. The students will take a picture of their test & then upload it to the assignment on Google Classroom!

**5B Religion:** Students will continue to review the Beatitudes and will create a representation of the assigned beatitude and will upload a picture, google doc, video, etc. of what it means to them.

**5B Science:** Students will continue our new Science Unit - Spaceship Earth. Students will have access to our Mystery Science Lessons 4 - Lessons 7 (videos posted on Google Classroom) this week. After each video, the students will be expected to fill-out an electronic reflection about the lesson for the day. Students will also be encouraged to read books related to this topic on **Epic!** (our class code is: tdr9567).

Stay Healthy & Keep Washing Your Hands,

*Ms. Kate Bakamis*
