UPDATES

This week is a short week as we have conferences on Thursday and Friday via Zoom. If you have not signed up yet, please take a moment to sign up. The link for the signup is in the email.

We will pause on Superkids reading this week as it is a short week so no spelling list or test. We are putting our reading and writing in action as we are producing informational books on the countries we have been learning about. We will be starting a new math unit this week on comparing using addition and subtraction.

Report cards will be sent home Monday the 28th. If you still have your report card envelope at home from the mid-trimester report, please send those in as to not be charged a \$5 fee.

The auction is quickly approaching! On May 14th, we will be having our in-person Grecian Gala and Auction at the Edmonds Waterfront Center. Raffle tickets were sent home, hopefully you are busy selling them! Lastly, each family is to procure or donate items to bid on at the auction, the deadline is April 15th.

WHAT WE ARE LEARNING THE WEEK OF MARCH 21-23

OUR IB NEWS

IB Attribute:

Risk Taker

We show the courage to try new things. We know making mistakes is a part of learning.

A cartoon illustration of a girl scientist with a black beret, a white lab coat, and a stethoscope. She is smiling and holding a small black and yellow bird on a stick.

Central Idea:

HOW FAMILIES LIVE AROUND THE WORLD IS SHAPED BY ENVIRONMENT.

Key Concepts

CONNECTION

How is it linked to other things?

Five interlocking puzzle pieces in green, yellow, blue, pink, and purple, arranged in a horizontal line.

PERSPECTIVE

What are the points of view?

Four cartoon illustrations of diverse children (two girls and two boys) with thought bubbles above their heads, representing different perspectives.

IB Theme

WHERE WE ARE IN PLACE AND TIME

A stylized globe showing the Americas in green and the oceans in blue.

An inquiry into orientation in place and time, personal histories, homes and journeys, the discoveries, explorations, and migration of humankind, the relationships between and the interconnectedness of individuals and civilizations, from local and global perspectives.
