## UPDATES

Wow, it is already the last week of March! It is amazing how quick this year has gone. Spring is in full effect and as we are starting to warm up, students should still bring a rain jacket and boots as we get a bit of rain breaks during the day.

Report cards will be sent this Monday the 28th. Please sign and return your envelope by the end of this week.

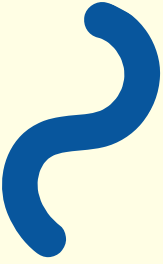

During Lent this year, we have been focusing on a virtue and Saint. This coming week, we are learning about the virtue of Temperance and Saint Therese of Avila. We connect the Saint we are focusing on with the virtue.

Next week, we will begin our new IB attribute of being Reflective. Not only is this attribute meaningful in our academics but as well in our Lenten Journey as we grow closer to Easter.
