

PYP (Primary Years Program) Weather Unit

Start Date: September 8th

Central Idea: **Weather and Climate Affect Daily Life**

September 8, 2022

Dear 3rd grade families,

We are excited to announce the start of our PYP (Primary Years Program) unit which will cover our science standards on weather. Our lines of inquiry are:

1. **Meteorologist-STEM Careers**
2. **Weather patterns**
3. **Climate Zones**
4. **Preparing for travel**
5. **Our responsibility to take care of Earth**
6. **Engineering for weather**

If you are, or know of someone who is knowledgeable in this content, please let your child's teacher know so we can plan for a guest visit. In addition, if you have any weather books or videos or weather tools such as outside thermometers, barometers, anemometers, weather vane, rain gauge, etc. please get in touch with your child's teacher as we would love to utilize all our resources to make this learning experience as rich as possible.

Please let your child's teacher know if you have any questions or ideas!

With thanks,

Mrs. Sheehan and Mrs. Smith
