

Classroom News

This week in Grade 4

This week in 4th Grade we focused on God being the Father in Heaven and the Good News in the Gospels, completing Unit 2 in Math & ALEKS, working on Genius projects, Balance in art, and Government systems including the branches of Government.

This coming week we will be completing a Unit 2 Assessment on Tuesday. We will complete Unit 3 in our Math workbook.

In our Religion class, we will learn as a class God's Plan for Salvation.

Our IB unit of inquiry is government systems and decisions affect equal opportunities and social justice. We will be exploring native tribes government systems and the idea of How do the laws in our communities help or hurt different groups of people. We will use Native Tribes of Washington to demonstrate this concept.

In ELA we will complete a new spelling list and continue reading number the stars with a focus on reading comprehension. In writing, we will begin drafting and revising realistic fiction.

In our Art class, we will create projects to demonstrate contrast between colors and hue .
