This week in Grade 4

This week in 4th Grade we focused on Ordinary Time is a time to grow as Jesus' disciples., worked through Unit 3 in Math & ALEKS, presenting a few genius projects, Native Art, and Government systems including Native Tribes Government Systems.

This coming week we will be finishing unit 3, completing the last unit lesson, then completing a review in class on Tuesday and Unit 3 test on Wednesday. Retakes will be available the following week.

In our Religion class, we will learn as a class Jesus' Law of Love to help us understand how God calls us to love God the Father and one another.

Our IB unit of inquiry is government systems and decisions affect equal opportunities and social justice. We will continue exploring The Boldt Decision and Tribal relationship changes between Federal & State Government.

In ELA we will complete a new spelling list and continue reading Number the Stars Chapters 12-14. In writing, we will finish our rough drafts and begin typing up our first drafts.

In our Art class, we will continue to create Native art and learn about the significance of art in Native Tribes of the PNW.
