

Class Dojo Party

Dear Parents,

The children have earned their Classdojo Party! The party will be held on Thursday, May 9, from 2:00- dismissal. They may wear free dress. After brainstorming different ideas for the type of party they'd like to have, they voted to have an Electronics Party. They can bring their own FULLY CHARGED electronics to school on that day and keep them in their backpacks or cubby until party time. If a child doesn't have a device, they will be using the classroom technology. We have discussed appropriate sites (no YouTube) that they may go on but please have the discussion with them at home as a family too. They may only play school-appropriate games. They may also bring a small snack (I will provide a drink) and a stuffy.

Thanks,

Valerie Sheehan
